

Changing women's lives, for today and tomorrow.

Winter 2018

We're a FULL house!

Five awesome women and a darling baby girl reside in our household of transformation!

Each weekday morning, our women get "spiritual nourishment" from the Word of God. We just completed "**Audacious**" with

Bible teacher, Beth Moore

teacher Beth Moore from her online resources! Our wonderful mentor, **Pastor Connie Sparks**, will be sharing on "The Fruit of the Spirit". If you would like to help moderate a Bible study series **please call us today!** We want to stay "hungry" for the Word!

SAMARITAN INN

Thanks, Flagler Homebuilder's Association!

October 24th, Samaritan Ministries was presented \$750 from Flagler Home Builders Association. FHBA's mission is to use their unified strength and resources to achieve a positive business, community and association environment, enhancing the overall success of the building industry, the community at large and each member. This gift came at a perfect

time as we have just opened our transition home, **Samaritan Inn**. We are grateful for this donation which has helped us in our endeavor to change women's lives for the better.

Many 'Languages' of Love!

Love may go under the hood of a car... Men from **Shepherd of the Coast Lutheran Church** and **Classic Car Club of Flagler** served with maintenance on 7 women's cars on December 9th!

It was from the first car that they removed

an oil filter with a hole burned in its side! Located so close to the starter, it could have caught fire at any time. Was the Lord reassuring this mom, not only did He love her, but He is also trustworthy to take care of her?

Samaritan Ministries walks beside women who have experienced trauma in their lives to provide spiritual, social, economic, and vocational support. Samaritan Ministries is a Not-for-profit Corporation PO Box 24 Bunnell, FL 32110 / 386.437.4372 sammin2911@gmail.com/ www.samaritanministriesflagler.org

Jealousy or Jalousie...both are undesirable!

Back in the day (1957!) jalousie windows were stylish... Today, they're not energy efficient or secure. I spent the holidays with the ladies and it was a challenge to stay warm in the house! To be good stewards of our energy costs and to keep our ladies secure, we plan to replace our largest jalousies soon. With two "picture windows" needing replacement, we are asking for a **matching** donation to one already committed! An estimated cost is **\$1,000 for each of two** large windows.

Thanks for thinking of us!

Over the holidays, we were blessed with **NEW** items...not that we mind used...but this George Foreman grill and a convection table top oven were generously given for the use of the women in Samaritan Inn.

Every Day Needs...

cleaning supplies - paper towels

Light-weight vacuum cleaner

Garden rake - wheelbarrow

Trash bags - small storage containers

Christmas Made Special...

all of our residents at Samaritan Inn felt your love first hand in the many gifts opened on Christmas eve. Our thanks to you all!

A step in faith...

Last July, we chose to be fiscally responsible with our funds and purchased a home that will house women and their children in a time of crisis. We previously placed them in area hotels. Our monthly mortgage payments are \$350.00 month. Would you join others who have chosen Samaritan Ministries in their giving?

- We are praying for 6 more individuals or churches to become **"CORNERSTONE MEMBERS"** by committing to cover our mortgage for a month of their choosing in the amount of \$350.
- A **"FOUNDATION MEMBER"** is one who supports the core value of our ministry with a gift of \$100 each month, acknowledging Christ's words,

"For I was hungry and you gave me something to eat; I was thirsty and you gave me something to drink. I was a stranger, and you invited me in. I needed clothes and you clothed me."
