First Annual "Sea of Hope" Fundraiser

Our first annual Sea of Hope Fundraiser was a complete success! Thank you to everyone who donated items, helped us set up, participated in the silent auction, and came to support us. We would also like to give a special thank you to Oceanshore Custom Catering and all our wonderful sponsors. Please visit our website to see all of the corporate sponsors from this event. We could not have done it without each and every one of you! During this event, we were able to have some clients and board members share testimonies to give everyone a better understanding of what Samaritan Ministries is all about. We look forward to seeing you all again next year as we continue this tradition.

THANK YOU!!

We are honored that the Chamber of Commerce Leadership 25 class chose Samaritan Ministries as their class project. We were presented with a check and some additional donations that enabled us to pay off the remaining balance on the fire alarm system. We are truly grateful to them for helping make a difference in our community.

Car Care Ministry Update!

In April, we were blessed with a grant for our all-new Car Care Education Ministry. Our first clinic was held on Saturday, June 23rd. We would like to thank **Shepherd of the Coast Church** for letting us use their facilities. In this newly updated program we wanted to educate the women

and enable them to take care of their own vehicle safety and maintenance. The women learned how to check tires, check their oil, and other things pertinent to the vehicle and the women's safety. With storms and possible evacuations coming, we also talked about hurricane and emergency preparation. Using the money from the grant, we were able to give the women vouchers for oil changes at **Bobby's Coastal Auto Repair** and they each received a bag with car care items and a bag with emergency supplies. If you would like to join us and volunteer for our next Car Care Ministry, please contact us at 386-437-4372.

We need help cutting our grass.

Do you have a men's group or a church group that would like to sign up to take turns cutting our grass? Do you have a lawnmower to donate to the ministry that will can be on hand for use? Call the office to find out which weeks are still available for you to help us out!

A great big THANK YOU to Sarafina's Eatery

for donating their bagels to the ministry and for going above and beyond to help the women in our community.

We are in need of some women volunteers for the transition house. We 24/7 coverage for the residents and have several day and night shifts available. If you are interested, please fill out the Volunteer Application on our website: SamaritanMinistriesFlagler.org.

Do you have a group that would like to know more about Samaritan Ministries and what we do? We would be happy to come to you and do a short presentation followed by a question and answer time. Let's spread the word about this ministry throughout Flagler County!
