

Mission Statement

"Samaritan Ministries walks alongside women who have experienced trauma in their lives to provide spiritual, social, economic, and vocational support... Helping women to change their lives for a better today and tomorrow. Samaritan Ministries--every step of the way."

Café Barnabas is a self-sufficiency program that supports single moms and women in transition into the Food Service Industry. We do this by providing the proper training and certification. It is also a place of encouragement, as the Biblical meaning of its name, Barnabas, represents.

When you participate in these experiences you partner with this ministry in a positive, supportive way.

Partner with us in helping women in the community learn a skill that will bring about hope and ensure a better future.
