**We need your
HELP**

Safety is a priority at the ministry house. In order to comply with the city codes and to make sure that our residents are always safe from harm we need to install a full commercial security system and a commercial fire safety system. Our current cost to install these systems is \$5,000.

CAUTION

We are also needing to improve the easement and the driveway access to the side parking area. We are estimating \$1200 for this project. Any donation amount will make this easier on us and allow us to quickly install these features that will keep these women safe from both intruders, and fire danger.

Our Ribbon Cutting
has been postponed due to some
additional improvements needed at the
Samaritan Inn. We will keep you posted
on the new date.

The story of David and Goliath

is a very motivating and power-ful lesson. The Philistines were at war with the Israelites. Their greatest fighter, Goliath, would taunt the armies of Israel daily, but no Hebrew would dare face the giant.

David, was a young boy who couldn't bare to hear Goliath's rants of the Lord and desperately wanted to defend the Lord's name. He was small and had no weapons, but his faith was larger than the giant; he was armed with God's armies. David says, "You come to me with a sword, with a spear, and with a javelin. But I come to you in the name of the Lord of hosts, the God of the armies of Israel". (1 Samuel 17:45)

The simplicity of this story is the victory of an under dog. However, for some, this story can hit close to home and remind them of their own "Goliaths". For the women that we help, Goliath has many faces-- drugs, alcohol, addiction, domestic violence, relationship problems, homelessness and many more.

The clients that come to us have stumbled because they are focused on their giants. We must all face our giants but we do not need to face them alone. Help us to teach these women to make use of what they already have, whether it be a slingshot and a few rocks, or the resources of a community that loves them. We walk with them and show them they can look past their giant and focus on God, and not to underestimate themselves and the power of God within them. We encourage them to lift their eyes in faith to a God who is bigger than their fears.

Please join us on our mission to come together for the women in crisis in our community. Partner with us to change lives. Come volunteer with us and show God's love and mercy to these women. Share your gifts and your talents with them. We are looking for Mentors, Advocates, Prayer Partners, Bible Study Leaders, and people like YOU who want to stand beside these women as they face their giants.
